

## SMALL GROUP LEADER GUIDE

- Chris talked about Pez on Sunday morning. What was your favorite candy growing up?
- Did you take the spiritual gifts assessment? What were the results?
- **Reread Matt 5:14-16.** What do you think it means for you specifically to be the light?
- Are you involved serving anywhere at CrossWinds? If not, where might you sense God prompting you to "Just Jump In?"

### Remember:

Whether you are connecting with your group online, over the phone, or in person, the five things that make small groups so transformative (Accountability, Guidance, Encouragement, Vulnerability, and Application) can STILL HAPPEN. Think about how these things are happening in your group!
