DISCUSSION QUESTIONS

- What did you know about the Triumphal Entry before this week? If you grew up in a family of faith or in the church, do you remember learning about this? Share a memory that comes to mind. Or, if this event from Jesus' life is newer to you, what are your first impressions about it?
- Share a way that you feel you can relate to the people who were praising Jesus. Why do you connect with them? In what ways is their need connected to yours?
- "If Jesus is in His rightful place, everything else will fall into place." In your life, what is feeling like it's jumbled or out-of-order or messy? Share how this is impacting you?
- Talk about your desires and your resistance to Jesus as the King in your life?
- We identified three things that are true when Jesus is really the King of your life - you will make personal sacrifices, you will give him credit for victories, you will rely on Him to save you. What do each of those look like in your life? Share as specifically as you can for each one about how they may or may not be true of you.
- Which one do you feel God is inviting you to lean into more? Choose one of those ways and talk about how you could take steps toward that being more true in your life?
