

- Share a time you were impacted or moved by art, or something creative/artistic?
- **Read Acts 2:42-47.** What stands out to you? Discuss why you believe they experienced “awe.” (Sometimes it’s helpful to read the passage in a few different Bible translations.)
- Since CrossWinds is a church that values the arts and you’re part of CrossWinds, you have likely found yourself resonating with the creative expression that is part of our services. Share about a time the creative elements “stirred” you or you felt God used the arts to move you.
- We said that art can help you see yourself more clearly. In the service, we used the arts (music, dance, drama) to tell a story about brokenness. How did you resonate? What brokenness came up for you? Share to the extent you feel comfortable.
- Toward the end of the service we gave time for you to let God speak to you and for you to experience closeness with God. What was revealed?
- How do you need God to be close to you in this season or circumstance?
- **Read Psalm 34:18 together and pray it over each other.**
